

Event Planning & Fundraising Intern

Part-Time Internship

We are a non-profit organization with a mission to enhance the lives of children fighting a terminal or life-threatening condition by providing extraordinary experiences. . . and more.

Going beyond the wish. . . more is

. . . granting wishes for kids from birth to their 19th birthday.

. . . Scholarship of Hope: Each wish child is presented with a certificate of a financial grant to apply to any higher education institution.

. . . granting popular Minnesota wishes; such as hunting, fishing, snowmobiles, and boats.

. . . Memorials: Sadly, not all of the eligible children are able to experience a wish. In this unfortunate situation, Wishes & More will give a monetary gift to the family to use at their discretion.

We have a small staff with a large volunteer base located in Fridley, MN on the northeast corner of Hwy 65 and 694.
