*What makes the "more"?*

Wishes & More is much more than a wish-granting organization. Proudly local and serving kids 19 & younger who are battling terminal & life-threatening conditions. Wishes are approved individually & popular Midwest wishes involving the outdoors are always considered. Beyond the wish, are two additional programs: Each wish recipient is gifted a \$2,000 educational *Scholarship of Hope*<sup>®</sup> for education beyond high school; & in the tragic loss of a child who never experienced a wish, grieving parents receive a Memorial gift of \$1,000. "More" keeps the family close by providing tickets & opportunities for the entire family on an ongoing basis.
