6-year-old Kellen battled a brain tumor, meningitis and suffered a stroke. His wish? To play golf! We sent his family to Brainerd to enjoy a long weekend on the courses in the Brainerd area.

Wishes & More goes above and beyond to make sure that each WISH is as unique and extraordinary for each individual child and family as possible.

We also set aside SCHOLARSHIP OF HOPE® funds for each child as a promise that we will continue to be with them when they graduate from high school and go on to higher education.

MEMORIAL funds are given to parents when a child doesn't survive to experience a wish in order to let them know that we care about them and hurt with them.
